

Teeth, backs and minds feel Jesus' love

"If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal," I Corinthians 13:1

In the same way Love In the Name of Christ seeks to show the Savior's love to our community in tangible ways that give a sweet aroma for Christ.

Teeth, backs and minds received tangible blessings in recent weeks through Love Inc. In just a 5-day period recently the ministry received 130 calls for help.

One client called asking for a twin bed for her deaf brother. Love Inc. had no bed, but an hour later a donor called with a twin bed. "It is just amazing that we see this kind of thing happen over and over again," writes LaCheri Carlson, clearinghouse coordinator.

A family in poor health and unable to buy an air-conditioning unit received one through Love Inc. Several clients received much-needed dental care

Love Inc. is a cooperative ministry of Benton County churches, serving the needs of the community

through the dental van ministry. One called to say he was too ill to visit the van, saying, *"Please give my spot to someone else, as I know the need is great."* A young family gratefully accepted the first baby bassinet ever donated to Love Inc. They were "delighted" with it.

Recently a client who has returned to school phoned Love Inc., expressing frustration she is experiencing in one particular class. At that moment, a visitor stood in the Love Inc. office, and the phone volunteer asked, *"You don't happen to know something about ...?"* Yes, the visitor replied. That is her area of expertise! Now, the two women are meeting for tutoring. *"God sees and cares so personally for each person,"* LaCheri writes.

Prayer Requests

- ◆ A woman who called and was suicidal; may she find hope in Jesus Christ.
- ◆ A woman who arrived to escape a bad situation, for her and her child, connections with a church
- ◆ For Love Inc.'s GAP ministries as needs increase this time of year.
- ◆ For Love Inc.'s finances, volunteers & ministry to be transformed by the Spirit, II Cor. 3:18.

New Letters: Rasmussen: Kent's linguistics classes went well for Africans eager to translate the Bible.
